present Patiala House Complex itself and if the shifting is not avoidable then efforts will be taken to provide adequate number of Chambers at the new location. They also assured the gathering that they are ready to go along with Office Bearers of NDBA to the concerned authorities to support and explain the reasons for the same.

In this regard, we invite valuable suggestions from our esteemed Members since NDBA is the major stake holder and our professional work will be affected if we do not get a chamber or not provided with a proper place to carry on our professional work. As the major stake holders our voice should be heard first in any future initiative in shifting the Courts. Very soon the Executive Committee will have a collective meeting with our esteemed Members to discuss the suggestions and to decide the future course of action in this regard. Kindly visit our website [www.ndba.co](http://www.ndba.co) to listen the live speech of the office bearers of the Bar and the Distinguished Guests on the occasion of Swatantrata Parv Celebration.
