hurry by the previous Government and other authorities with out any foresight and not considering the growing needs of future neccescities and requirmentmes.

It has been pointed out that as per the site plan there is no provision for Lawyers Chamber in the New Building and without which it will be disastrous to shift the Courts from Patiala House Complex. The place is not suitable to meet the growing needs of District Court in the coming years.

We have reitrated our resolve that there is no need to shift the New Delhi District Courts to another place and continue to oppose the shifting of Courts from Patiala House Complex since Patiala House Complex has all facilities, situated in a central location and well connected and can be assecible from all parts of Delhi.

If the Authorities, go ahead with the shifting then there should be at least 2000 lawyers chamber available at the new building.

Sh. Manish Sisodia, Hon'ble Deputy Chief Minister has assured the delegation that he will certainly look into the matter by directing Secretaries of Land & Building Department and Law & Justice Department to put up all the relevent documents before him shortly. He told us that he understands the difficulties of the lawyers and even ready to join us to lead the delegation to meet the other concerned authorities in this regard.
